Jukebox *PRINCESS*

Technical details

Small in size but big in performance, the PRINCESS is in no way inferior to its big sister, the ONE MORE TIME.

Glittering chrome elements, fascinating lighting effects and the most modern technology available make this nostalgic compact jukebox an exceptional piece of music-making furniture which will hold its value for years to come.

Whether in use at home, in a restaurant or in a bar with limited space, with its unique flair from the great jukebox era the PRINCESS will immediately become the optical and acoustic focal point of any room.
