WBC-WBA Computer Board Changes

Extensive manufacturing changes require a new part number assignment for WBC-WBA Computer Boards.

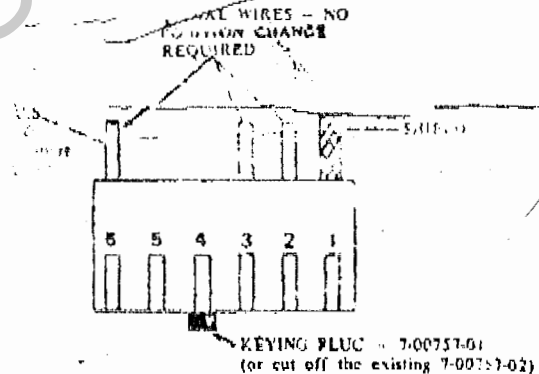

The new part number is the 6-50528 series. Please note the similarity to the old part number 6-50458-01.

The boards are completely interchangeable with the following exception:

Connector pins 1 and 4 of P103 to the computer board are reversed, including keying plug. See figures 1 and 2 below.

HEADER CONFIGURATION FOR OLDER COMPUTER ASSEMBLY 6-50458-XX at P103
